ROLE OF WCS IN DONATION MANAGEMENT

WCS acts as the receiving, administering, and executing entity for the funds raised through AvalPay for the "Let's Join Forces for the Affected Communities" campaign. WCS is responsible for the comprehensive management of these funds, from their receipt and administration to their allocation and execution.

DONATION AND CONFIRMATION PROCESS

The donation will be deemed effectively received once the transaction has been confirmed as approved and you have sent proof of the transaction to colombia@wcs.org, so that the funds can be properly identified.

SCOPE OF DONATIONS RAISED

The donations raised will support the "Let's Join Forces for the Affected Communities" campaign, an initiative carried out by WCS Colombia. The funds will be distributed equally among the three initiatives.

The receipt of a donation does not grant the donor any authority over the administration, management, or decision-making of WCS Colombia.

FREE AND VOLUNTARY NATURE OF THE DONATION

The donation constitutes a voluntary contribution of resources intended to support the "Let's Join Forces for the Affected Communities" campaign.

Making a donation does not constitute the purchase of goods or services, nor does it grant the donor the right to receive any consideration in the form of a product or service equivalent to the amount donated.

The decision to make a donation is entirely free and voluntary. The donor may withdraw from the process at any time before confirming and authorizing the transaction.

COSTS ASSOCIATED WITH THE RECEIPT OF DONATIONS

Due to the receipt and processing of the donations collected, costs may be incurred in connection with the use of platforms and payment methods, as well as banking and financial fees arising during the processing or transfer of the funds.

These costs will not be borne by WCS Colombia and, when incurred, will be deducted from the funds raised.

DONATION CERTIFICATES AND SUPPORTING DOCUMENTATION

Where applicable, the donor may request supporting documentation or a certificate evidencing their donation.

For the purpose of issuing such documentation, WCS Colombia may request the information necessary to identify the donor and verify the transaction, including, but not limited to, their name or corporate name, type and identification number, email address, and information related to their donation.

Note: The issuance of supporting documentation or a donation certificate does not, in and of itself, imply that the donor is entitled to any tax benefit. The eligibility for and tax treatment of the donation shall be subject to applicable law and the circumstances of each donor.

DECLARATION REGARDING THE SOURCE OF FUNDS

By making a donation intended to contribute to the “Let’s Join Forces for the Affected Communities” campaign, the donor declares that the funds used for the donation come from lawful sources and legitimate activities.
