Certificar que la estructura para el manejo de los excedentes del ejercicio al 31 de diciembre opera bajo los siguientes lineamientos:

Existen proyectos que se alinean a una ejecución de un año, y así mismo proyectos multi-anales que comprenden una ejecución en dos o tres períodos fiscales de acuerdo a los presupuestos acordados.
- iii. Estos proyectos se ejecutan normalmente a un 100% de su presupuesto, por lo cual no se generan excedentes al cierre del convenio o contrato, de resultar valores que no se ejecuten estos se reintegran a la(s) entidad(es) aportante(s) o pueden ser destinados a otros proyectos de conformidad con el objeto social de WCS y las reglas del donante específicas.

fiscal year is reinvested”, adopted the following Resolution.

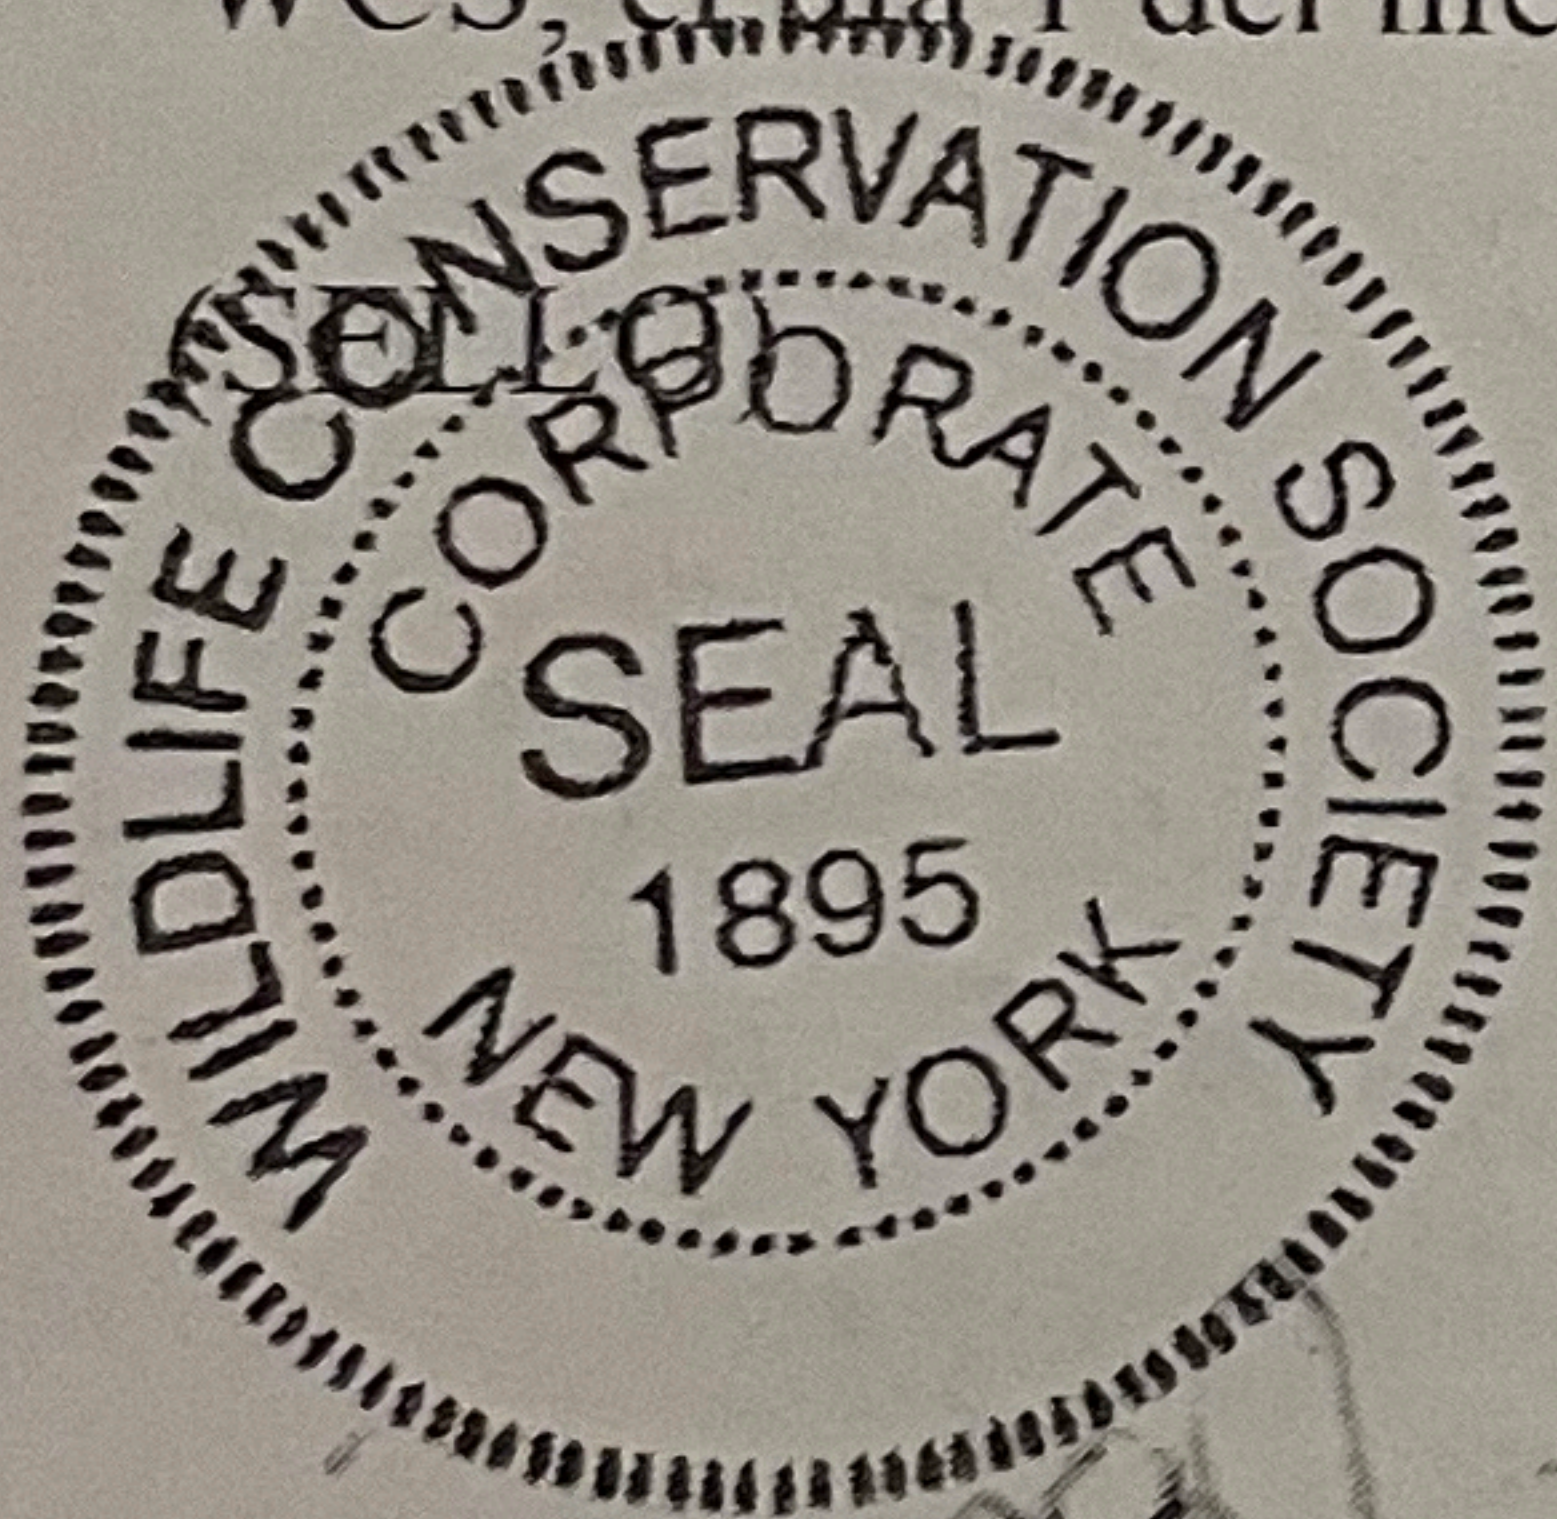

To certify that the following is an explanation of the use by WCS Colombia of surplus deriving from the year ending on December 31st:

- i. Prior to its performance, each project must comply with a technical proposal and a financial budget agreed by and between WCS and the interested entity(ies) who undertakes to contribute the budgeted amount.
- ii. Projects are performed pursuant to the technical specifications and within the timeframe included in the corresponding agreements executed. There are projects that may be performed within one year and there are others that envisage performance in a number of years, which may include two or three fiscal years, according to the agreed budgets.
- iii. Budgets in these projects are usually 100% performed, so no surplus exists at the termination of the corresponding agreement. If there are any amounts not used during the project, such amounts are reimbursed to the contributing entity(ies) or may on other projects consistent with WCS's corporate purpose, in accordance with donor rules.

iv. Con base en lo anterior, se concluye que WCS Colombia, en condición de entidad sin ánimo de lucro, reinvierte todos los excedentes que se generen con corte a 31 de diciembre bajo los términos de ley y conforme a su actividad meritoria dentro del periodo siguiente y no cuenta con un fondo de asignación permanente.
